We recommend using yarns called for in our instructions. Every effort has been made to ensure that directions contained in this book are accurate and complete, however errors do occur. We cannot be responsible for variance of individual knitters, human or typographical errors.

All pattern PDFs are updated when corrections are made. In the event of finding an error, please make sure you've downloaded the most recent version.

NOTE

This shawl is crocheted from side to side, with the edging worked at the same time as the body of the shawl. A row of picots is worked along the edging at the end.
